ICCLC 2021
The IEEE International Conference on Creative Lifestyle Computing

The IEEE International Conference on Creative Lifestyle Computing will be held at December 6-10,2021, at Hainan Island, China.

INTRODUCTION

ICCLC 2021 focuses on technical aspects related to the "Creativity, Computing and Lifestyle". It is a highly transdisciplinary conference and welcome contributions from the arts and humanities, from the social sciences and computer science, for combining artistic thinking and computational evolution in a creative method, for stimulating new imagination by creative and wise computing, providing new applications and promoting multidisciplinary innovation.

AIMS

Using science and technology to innovate lifestyles has gradually become a cutting-edge trend. The purpose of this conference is to provide a forum for scientists, engineers, scholars and students to exchange innovative ideas and update technical knowledge, and to provide a plan for joint research on creativity and lifestyle in order to achieve a mutually beneficial platform. The conference welcomes the participation and contributions of participants in theoretical research and practical applications in all aspects of automation and computer science. In addition to parallel technical meetings, plenary meetings will also be held.

SCOPE

The scope of the conference covers a wide range of fields in the fields of tourism, fashion, food and health, business and information systems, involving multiple fields, from basic research to practical applications. The conference welcomes the submission of original research, technical reviews and tutorial papers from the following (but not limited to) the following tracks:

- Art-Science-Architecture (ASA)
- Emerging Fashion (EF)
- Smart Tourism (ST)
- Intelligent Diet (ID)

- Business Wisdom (BW)
- Artificial Creativity (AC)

IMPORTANT DATES

July 22, 2021
- Papers and Poster Abstract Due

October 10, 2021
- Author Notification

November 1, 2021
- Camera-ready and Copyright Due

December 6 - 10, 2021
- Conference Dates
